

## ATTACKED BY LAND

Cape Haytien Reports Santiago de Cuba Invested.

## UNITED STATES TROOPS

Acting With Insurgents to Rearward of the Town.

Cape Haytien, June 4, 12:45 p. m.—Dispatches received here today report that the United States troops have been debarked at Punta Cardena.

The dispatch adds there was heavy cannonading yesterday afternoon at Santiago de Cuba and that extraordinary emotion prevailed at that place. All the Spanish troops, it is said, were concentrated at the fortifications in the suburbs and it was understood among the non-combatants that the insurgents and American forces were making a grand attack on the landward side.

In the evening, the dispatches go on to say, at a distance of about eight miles from the coast, twenty American warships, five of which were cruisers, could be seen. It was believed in Santiago de Cuba that this was the united fleet of Rear Admiral Sampson and Commodore Schley.

The steamer which was blown up at the entrance of the harbor of Santiago was the Merrimack, a former English collier of 4,000 tons. It is now understood that this vessel was sent in for the purpose of sinking it and thereby filling the channel so that the Spanish warships could not leave the port in the event of Admiral Cervera's fleet arriving off the Cuban coast.

Port Au Prince, June 4.—There are a great number of insurgents in the vicinity of Santiago, probably waiting for some decisive action upon the part of the American fleet, which will undoubtedly be the signal for a land attack upon the town.

## WILD, EVEN FOR A RUMOR

(Copyrighted 1898 by the Associated Press.)  
Cape Haytien, Hayti, June 4.—A report which could not be verified was current here this morning to the effect that the American fleet off Santiago de Cuba destroyed the Spanish fleet at that place yesterday. But no direct news had then been received.

## NEW FORTIFICATIONS

Key West, Fla., June 4.—At 11:15 a. m. Vessels which arrived here today from the Havana-Caribbean blockade report that there has been an expenditure along the line for the last ten days, but they say that the Spanish fleet is beginning new fortifications at various points.

## NEW SANTA FE FEEDER

To Be Constituted By The Reorganization of a Kansas Line.

Topeka, Kan., June 4.—A reorganization of all but 100 miles of the central branch of the Missouri Pacific, which was sold at auction on May 25, has been effected and six Topeka men are named as directors of the two new companies under which the property is taken in. They are J. W. Gledhill, C. S. Gledhill, J. L. Bonbrake, J. L. Hunt, F. M. Bonbrake and Eugene F. Warr. The new companies are the Atchison, Colorado and Pacific railroad company and the Atchison, Jewell County and Western Railroad company. The former taken in the central branch property from Waterbury, Marshall county, to Lenora, Norton county, with all connecting branches and the capital stock is placed at \$1,500,000. The latter company takes in the property from Jamestown, Republic county, to Jewell county, a distance of fifty miles, and has a capital stock of \$550,000. The Topeka men are associated with Oliver Ames and the Jefferson Coal and iron company.

## PENSION DAY IN THE HOUSE

One Bill For The Relief of an 1812 Window, Aged 103.

Washington, June 3.—The house today consumed much time, but without result, considering a bill to authorize the president to restore to his rank and duty Major Joseph W. Wham, paymaster in the army, who was suspended in 1860 upon half pay, until 1864, through court martial proceedings and executive action.

Forty-nine private pension and relief bills were passed, and at 2:40 p. m. the house took a recess until 3 p. m. The evening session was devoted to bills granting pensions and correcting military records. Among those acted upon favorably was one pensioning Nancy Rogers of Pennsylvania, the widow, 106 years of age, of a soldier of 1812. More than sixty bills were considered, 41 being considered as probably the last pension session of the present session of congress, there was a great struggle of members to have their respective measures taken up.

## Chicago Fight Ends in Foul

Chicago, June 3.—Billy Sift secured the decision over Mysterioso Billy Smith on a foul tonight at Tattersall's. The fighting was good all through the five rounds. In the fifth Sift was almost knocked senseless by a punch in the jaw, which secured him the decision.

A foul also ended the bout between "Kid" McPartland of New York and Tom Tracy of Chicago. The contest was little more than a rough-and-tumble fight of a very violent sort. In the second round the men fell to the floor four times in a tight embrace, and Referee Masterson then gave the battle to McPartland on a foul.

In the other bouts Joe Ganz of Baltimore secured the decision over "Kid" Robertson of Buffalo in six rounds; Charley Strong and Frank Chisholm fought six rounds to a draw, and Jack Moffatt defeated Jim Janey in six rounds.

Russian Post Attacked in Turkestan  
St. Petersburg, June 3.—A sensation has been created in official circles here by the news of an unexpected attack by one thousand natives on a Russian post garrisoned by 300 infantry, at the town of Andjan, province of Ferghana, Turkestan. It is said that 20 of the soldiers were killed and 15 were wounded. No such reverse to the Russian arms has occurred in central Asia in many years.
